British Journal of Plastic Surgery

Volume Contents

Editing and auditing: a crisis in communication (Gillies Memorial Lecture 1987)
M. N. Tempest 1

Syndactyly correction
J. Colville 12

Computer-based coding of fractures in the craniofacial region
R. D. Cooter and D. J. David 17

The fate of meshed allograft skin in burned patients using cyclosporin immunosuppression
J. D. Frame, R. Sanders, T. E. E. Goodacre and B. D. G. Morgan 27

Ultrastructural study of grafted autologous cultured human epithelium
M. Aihaia 35

Salvage of the ring avulsed finger in heavy manual workers
L. K. Hung and P. C. Leung 43

The incidence of late recurrence (greater than 10 years); an analysis of 536 consecutive cases of cutaneous melanoma
M. P. Callaway and J. C. Briggs 46

Microvascular anastomoses in diabetes: an experimental study
L. C. Barr and A. D. Joyce 50

Microvascular anastomosis using polyethylene glycol 4000 and fibrin glue
T. Kamiji, M. Maeda. K. Moatsumoto and K. Nishioka 54

Microarterial grafting into the cartoid artery of the rabbit: some considerations concerning species-dependent thrombogenicity
B. van der Lei, P. H. Robinson, H. L. Bartels and Ch. R. H. Wildevuur 59

The Facial Appearance Sorting Test (FAST): an aid to the selection of patients for rhinoplasty
J. B. Copas and A. A. Robin 65

A manoeuvre to locate the distal urethral opening at the tip of the glans in the final stage of Cecil-Culp urethroplasty
R. L. Thatte 70

The stretched scar: the benefit of prolonged dermal support
D. Elliot and P. J. Mahaffey 74

Epithelioma cuniculatum plantare
J. J. McCann and A. I. Al-Nafussi 79

Silicone gel in the treatment of keloid scars
N. S. G. Mercer 83

Stretching skin to the limit: a novel technique for split skin graft expansion
J. Nanchahal 88

Case Reports

Unilateral right lower lip sinus associated with an ipsilateral cleft of the lip and palate
R. J. Ratcliffe and M. A. P. Milling 92

First branchial cleft sinus in hemifacial microsomia
T. Takato, H. Takeda and M. Kamei 95

Anomalous blood supply to the serratus anterior/rib composite flap
N. J. Percival and M. J. Earley 98

Primary reconstruction of a major loss of lower jaw by an animal bite using a "rib sandwich" pectoralis major island flap
A. Govila, G. S. S. Rao and J. H. James 101

Antecedents of Abbe. The sesquicentenary of Sabattini
J. T. Hueston and R. Mazzola 104

Plastic Surgery in Leeds
W. M. H. Shaw 107

Ideas and Innovations

A new splint for use in axillary surgery
S. J. Walker, P. Bullen and R. A. Sells 114

Controlling the medicinal leech
D. L. Martin and R. Hunsaker 116

Report of the Craniofacial Society Meeting 117

Letters to the Editor 118

Book reviews 119

Notices 122

Papers of interest in forthcoming issues 123

Results of argon laser treatment of port-wine stains: a method of assessment
A. A. Quaba 125

The lower posterolateral thigh flap
J. K. G. Laitung 133

Popliteo-posterior thigh fasciocutaneous island flap for closure around the knee
Y. Maruyama and Y. Iwahira 140

Discussion
B. G. H. Lamberty 144

Microvascular surgery as an adjunct to craniomaxillofacial reconstruction
J. Fisher and I. T. Jackson 146

Experiences in the surgical treatment of cranio-orbital neurofibromatosis
M. D. Poole 155

A composite flap for early treatment of hemifacial microsomia
M. D. Poole 163

The trapezoid release for scar contractures: early experience
M. P. Dunkley and A. M. Morris 173

Pterygium colli: surgical treatment
D. Rossillon, A. De Mey and M. Lejour 178

A policy in the management of urethral fistula
E. H. Mahfouz, M. A. Issa and M. H. Hamdy 184

A comparison of the speech results after early and delayed hard palate closure; a preliminary report
A. Harding and R. C. Campbell 187

Cephalic venous flap: a series of 8 cases and a preliminary report on the use of ^{99m}Tc labelled RBCs to study the saphenous venous flap in dogs
M. R. Thatte, S. M. Kumta, S. K. Purohit, S. N. Deshpande and R. L. Thatte 193

Morphological and morphometric changes in revascularised bowel grafts reconstructing the cervical oesophagus
R. W. Smith, G. Martin and D. M. Davies 199

Experimental implantation of adipose tissue fragments
J. Šmahel 207

Immediate return of nerve function following microsurgical repair
P. A. Grace, S. Augustine and G. Lynch 212

Creation of neovascularised free flaps using vein grafts as pedicles: a preliminary report on experimental models
Y. Hirasé, F. A. Valauri and H. J. Buncke 216

An experimental model for ear reconstruction with moulded perichondrial flaps: a preliminary report
Y. Hirasé, F. A. Valauri and H. J. Buncke 223

Case reports

An interesting case of aglossia-adactyly syndrome
S. K. Purohit, S. M. Kumta, P. P. Rao and R. L. Thatte 228

Wide excision of perineal Hailey-Hailey disease with healing by secondary intention
A. R. Shons 230

Ideas and Innovations

An indigenous, inexpensive operating microscope
A. Govila 233

The Northern Ireland Plastic Surgery and Maxillo-Facial Unit
N. C. Hughes 235
